Provided, however, That Finland may at its option, upon not less than ninety days' advance notice to the United States, postpone any payment falling due as hereinabove provided to any subsequent June 15 or December 15 not more than two years distant from its due date, but only on condition that in case Finland shall at any time exercise this option as to any payment of principal, the payment falling due in the next succeeding year can not be postponed to any date more than one year distant from the date when it becomes due unless and until the payment previously postponed shall actually have been made, and the payment falling due in the second succeeding year can not be postponed at all unless and until the payment of principal due two years previous thereto shall actually have been made.

All bonds issued or to be issued hereunder to the United States shall be payable to the Government of the United States of America, or order, shall be issued in such denominations as may be requested by the Secretary

of the Treasury of the United States, and shall be substantially in the form set forth in the exhibit hereto annexed and marked "Exhibit A." The \$9,000,000 principal amount of bonds first to be issued hereunder shall be issued in 62 pieces, in denominations and with maturities corresponding to the annual payments of principal hereinabove set forth.

3. *Payment of Interest.* All bonds issued or to be issued hereunder shall bear interest, payable semiannually on June 15 and December 15 in each year, at the rate of 3 per cent per annum from December 15, 1922, to December 15, 1932, and thereafter at the rate of $3\frac{1}{2}$ per cent per annum until the principal thereof shall have been paid.

4. *Method of Payment.* All bonds issued or to be issued hereunder shall be payable, as to both principal and interest, in United States gold coin of the present standard of value, or, at the option of Finland, upon not less than thirty days' advance notice to the United States, in any bonds of the United States issued after April 6, 1917, to be taken at par and accrued interest to the date of payment hereunder:

Provided, however, That Finland may at its option, upon not less than ninety days' advance notice to the United States, pay up to one-half of any interest accruing between December 15, 1922, and December 15, 1927, on the \$9,000,000 principal amount of bonds first to be issued hereunder, in bonds of Finland dated and bearing interest from the respective dates when the interest to be paid thereby becomes due, with maturities arranged serially to fall on each December 15 in the succeeding years up to December 15, 1984, substantially in the manner provided for the original issue in paragraph 2 of this Agreement, and substantially similar in other respects to the original issue of bonds under this Agreement.

All payments, whether in cash or in bonds of the United States, to be made by Finland on account of the principal or interest of any bonds issued or to be issued hereunder and held by the United States, shall be made at the Treasury of the United States in Washington, or, at the option of the Secretary of the Treasury of the United States, at the Federal Reserve Bank of New York, and if in cash shall be made in funds immediately available on the date of payment, or if in bonds of the United States shall be in form acceptable to the Secretary of the Treasury of the United States under the general regulations of the Treasury Department governing transactions in United States bonds.

5. *Exemption from Taxation.* The principal and interest of all bonds issued or to be issued hereunder shall be paid without deduction for, and shall be exempt from, any and all taxes or other public dues, present or future, imposed by or under authority of Finland or any political or local taxing authority within the Republic of Finland, whenever, so long as, and to the extent that beneficial ownership is in (a) the Government of the

United States, (b) a person, firm, or association neither domiciled nor ordinarily resident in Finland, or (c) a corporation not organized under the laws of Finland.

6. *Payments Before Maturity.* Finland may at its option, on any interest date or dates, upon not less than ninety days' advance notice to the United States, make advance payments in amounts of \$1,000 or multiples thereof, on account of the principal of any bonds issued or to be issued hereunder and held by the United States. Any such advance payments shall first be applied to the principal of any bonds which shall have been issued hereunder on account of interest accruing between December 15, 1922, and December 15, 1927, and then to the principal of any other bonds issued or to be issued hereunder and held by the United States, as may be indicated by Finland at the time of the payment.

7. *Exchange for Marketable Obligations.* Finland will issue to the United States at any time, or from time to time, at the request of the Secretary of the Treasury of the United States, in exchange for any or all of the bonds issued or to be issued hereunder and held by the United States, definitive engraved bonds in form suitable for sale to the public, in such amounts and denominations as the Secretary of the Treasury of the United States may request, in bearer form, with provision for registration as to principal, and/or in fully registered form, and otherwise on the same terms and conditions, as to dates of issue and maturity, rate or rates of interest, exemption from taxation, payment in bonds of the United States issued after April 6, 1917, and the like, as the bonds surrendered on such exchange. Finland will deliver definitive engraved bonds to the United States in accordance herewith within six months of receiving notice of any such request from the Secretary of the Treasury of the United States, and pending the delivery of the definitive engraved bonds will, at the request of the Secretary of the Treasury of the United States, deliver temporary bonds or interim receipts in form satisfactory to the Secretary of the Treasury of the United States within thirty days of the receipt of such request, all without expense to the United States. The United States, before offering any such bonds or interim receipts for sale in Finland, will first offer them to Finland for purchase at par and accrued interest, and Finland shall likewise have the option, in lieu of issuing any such bonds or interim receipts, to make advance redemption, at par and accrued interest, of a corresponding principal amount of bonds issued or to be issued hereunder and held by the United States. Finland agrees that the definitive engraved bonds called for by this paragraph shall contain all such provisions, and that it will cause to be promulgated all such rules, regulations, and orders, as shall be deemed necessary or desirable by the Secretary of the Treasury of the United States in order to facilitate the sale of the bonds in the United States, in Finland or elsewhere, and that if requested by the Secretary of the Treasury of the United States it will use

its good offices to secure the listing of the bonds on the stock exchange in Helsingfors.

8. *Cancellation and Surrender of Demand Obligations.* Upon the execution of this Agreement, the payment to the United States of cash in the sum of \$9,315.27 as provided in paragraph 1 of this Agreement and the delivery to the United States of the \$9,000,000 principal amount of bonds of Finland first to be issued hereunder, together with satisfactory evidence of authority for the execution of the Agreement and the bonds on behalf of Finland by its Envoy Extraordinary and Minister Plenipotentiary at Washington, the United States will cancel and surrender to Finland, at the Treasury of the United States in Washington, the obligations of Finland in the principal amount of \$8,281,926.17, described in the preamble to this Agreement.

9. *Notices.* Any notice, request, or consent under the hand of the Secretary of the Treasury of the United States shall be deemed and taken as the notice, request, or consent of the United States, and shall be sufficient if delivered at the Legation of Finland at Washington or at the office of the Minister of Finance in Helsingfors; and any notice, request, or election from or by Finland shall be sufficient if delivered to the American Legation at Helsingfors or to the Secretary of the Treasury at the Treasury of the United States in Washington. The United States in its discretion may waive any notice required hereunder, but any such waiver shall be in writing and shall not extend to or affect any subsequent notice or impair any right of the United States to require notice hereunder.

10. *Compliance with Legal Requirements.* Finland represents and agrees that the execution and delivery of this Agreement and of the bonds issued or to be issued hereunder have in all respects been duly authorized and that all acts, conditions, and legal formalities which should have been completed prior to the making of this Agreement and the issuance of bonds hereunder have been completed as required by the laws of Finland and in conformity therewith.

11. *Counterparts.* This Agreement shall be executed in two counterparts, each of which shall have the force and effect of an original.

In Witness Whereof Finland has caused this Agreement to be executed on its behalf by its Envoy Extraordinary and Minister Plenipotentiary at Washington, thereunto duly authorized, and the United States has likewise caused this Agreement to be executed on its behalf by the Secretary of the Treasury, as Chairman of the World War Foreign Debt Commission, with the approval of the President, all on the day and year first above written, subject, however, to the approval of Congress, pursuant to the Act of Congress approved February 9, 1922,² as amended by the Act of Congress
